

ROYAL MAIL

POSTAGE PAID GB
PETERBOROUGH 17

We get knocked down, but we get up again.

Two major fires at our Trafford Park production plant in 2017 led to severe supply disruption this winter, right when your herd needed us most.

We have put in place new codes of practice, including doubling the quantity of off-site storage, to help ensure we never let you down again.

NEW SUPPLY SAFEGUARDS**

C★Traffordgold®
the distillery feed with a difference...

**AS A THANK YOU FOR BEARING
WITH US SEE OVERLEAF FOR
SUMMER FEED PRIZES!**

Want your herd to punch above its weight?

Let us help you build a herd of heavy hitters.
Call 01234 2354687 to place your order and chance to win FREE feed!*

5 key benefits of C★Traffordgold®

FLAVOUR

Highly palatable with rich aroma helping to boost dry matter intake.

IMPROVED HEALTH / YIELD

High in protein, energy, digestible fibre, oil and starch to improve herd productivity and condition.

IMPROVED MARGINS

More cost-effective per unit of energy and protein than most straight feeds.

VERSATILITY

Simple and convenient to use and compatible with all feeding systems.

TRACEABILITY

Produced in UK from non-GM wheat using a short, local supply chain.

**WIN FEED AND GOODIES IN
OUR SUMMER PRIZE DRAWS!***
